2. What are our weaknesses as an SCC?

3. How would we like our SCC to be in three year's time?

4. Which kind of leader could help us to attain this level?

STEP 3. The members of the same commission decide who their two delegates will be.

**STEP 4**. These delegates will be on the SCC Council.

**STEP 5**. All the members of the various commissions will attend their meetings at Mission station level. They may be invited to attend training sessions at the Parish and Deanery levels. They can also encourage those who are not in any commission to identify their gifts and join a commission. Those who have been delegates for ONE term are eligible for re-election if suitable and willing.
